

Third Carpet Sweeper Sale at Hooker's 2 O'clock Sharp, Saturday, October 27

Only 100 Sweepers Go at This Sale

Be on time, or better still, be ahead of time, if you want to be sure to get one, as many were disappointed in the last sales that we have held.

Those coming early will be served first, and telephone orders will be accepted this time for the benefit of the outlying district trade.

The "Hygeno" Carpet Sweeper is a standard \$3.00 Sweeper, fully guaranteed by the manufacturer. The case, instead of being made of wood is made of cold drawn steel; the brush is made of GENUINE BRISTLES, full sweeper length; will last for years. The biggest household bargain ever offered.

This is, of course, purely an advertising sale. Our name is on the Sweeper, reminding you that this is a Wide-Awake Store, and we are willing to pay a fair price for having our name on a household article in your home.

This is the time of year when frosty winds roughen, chap and irritate the skin. Chaps are unsightly and they are more or less distressing. Our Cold Cream softens and smooths the skin as well as any preparation on the market. This Cream is a desired preparation for all toilet purposes, very beneficial at all times. Ladies approve of it because of its creamy quality and speedy action.

The campaign for \$200,000 endowment for the retired preachers of the Methodist Episcopal church of Vermont is now in full swing. The Methodist Episcopal church of the United States is seeking a permanent endowment fund of \$200,000. The Vermont campaign is part of that church-wide movement. Vermont Methodism proposes to make provision for the old preachers and the widows of deceased ministers. Leading laymen are greatly interested in this cause and the entire conference is being thoroughly and systematically canvassed. The holding Methodist church is being systematically canvassed by the pastor, assisted by Rev. G. A. Lamphear, field secretary of the board of conference claimants, and Rev. Walter R. Davenport.

Authentic Styles in New Models

There must be style authority behind the suit you buy. You can go from shop to shop and see a great variety of suits, a wide assortment of styles, colors, fabrics and trimming features. Many models may be pleasing, many may be becoming, too, when you try them on; but—do you know if they are correct? We believe so thoroughly in authority for style that we buy only from acknowledged fashion sources every suit in our department. In searching the market we use the Woolltex and Printz-Beiderman as our standard and all other makes must come up to that standard in every particular. Here for the rest of the week you will find some suit models that are unusually attractive and very reasonable in price.

Here Are Interesting Suit Values

We find at this time of the season that we have many Suit values that we are unable to duplicate because of the scarcity of good Suit materials. These we are putting on one rack at a reduction in price for the next few days.

If you want a Suit value, you should surely look over this rack of garments. Here are Suits that are values from \$30.00 to \$45.00 each; are Sample Suits that we did not duplicate, and now the materials are all gone. We had rather give you the advantage of our sacrifice in price than order other garments to fill in sizes in the cheaper Suits.

Suits on this rack that sold at \$45.00 you can now buy at a reduction that will surely interest you. In this lot of Suits are a number of values that sold at \$37.50 and \$40.00. These you will find are unusual values, and the cloths are of the season's best, that were made before the last advance. These we will give you special prices on for the next few days.

In the cheaper Suits that sold at from \$25.00 to \$35.00 are a few odd garments that we cannot duplicate in the materials, so we are closing them at prices that will interest you. See these values before they have been picked over, and get just what you want.

A Few Odd Coats

We have about 30 Coats in values up to \$27.50 that we carried from last season. The cloths are the best, and the style is not much different than this season. These we are closing at less than one-half price. See these Coat values if you want a good, warm Coat.

If Mothers Only Knew
how often children suffer from worms, they would take care and guard against this common ailment of childhood.

Signs of worms are: Derranged stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional gripings and pains about the navel, pale face of leaden tint, eye heavy and dull, twitching eyelids, itching of the nose, itching of the rectum, short dry cough, grinding of the teeth, little red points sticking out on tongue, starting during sleep, slow fever.

Over 60 years ago Dr. True discovered the formula of Dr. True's Elixir, the Family Laxative and Worm Expeller. Since then people have been writing us letters like this: "My little granddaughter had pinworms very badly, and after taking part of a bottle of Dr. True's Elixir it was very much better. Mrs. Georgia Philpot, Houston, Texas."

This remedy has a worldwide reputation as the one safe and reliable remedy for worms and stomach disorders for both young and old. At dealers', 40c, 60c, and \$1.00. Write us.
